

Readers of *Conversations with God:*

We are holding Study Groups
for the purpose of sharing with one another the
opportunities, challenges and changes in our lives since reading
Conversations with God.

Our goal is to explore this material more deeply,
chapter by chapter, concept by concept, in hopes that
we may make functional the CWG wisdom in our everyday lives.

As a tool, we will be utilizing exercises from the
Conversations with God, Book I Guidebook by Neale Donald Walsch.

This type of community sharing has the potential
of expanding horizons and heightening understanding. In addition, we will
be presenting options available to those who are ready
and willing to take a great leap forward in their spiritual evolvment.
